MONTHLY RATE FOR BOARD IS $_____. Each month's payment is due in advance. Services included in the regular board rate are as follows:

The horse will be kept in a box stall, cleaned and bedded daily, and fed a high quality diet to produce and maintain good condition. He will be turned out as needed for exercise. No person other than BBEC management, employees, or the owner will be allowed to handle the horse.

BBEC strongly discourages the owner of a boarded to horse to allow other family members or friends to ride or handle their horse. These people may not be competent of handling the animal and could be at risk of injury. BBEC owners and personnel may not be held responsible for any injury resulting from such negligence on the part of the owner of a boarded horse.

VETERINARY CARE AND FARRIER WORK: will be paid for by the owner. Routine work will be done on schedule and the owner will billed. In cases of emergency a vet will be called first and then the owner will be notified. If you have a preference for a vet or farrier other than those we regularly use, please note this below.

BBEC has a very high standard of health and safety. If this standard is to be maintained, all boarders must comply with our rules. If at any time the management has reason to believe that there has been a serious infraction of the rules, the boarder will be required to move his horse elsewhere. No money will be refunded. No horse will be removed from the premises until all bills are pain in full!

BBEC, it's management and employees may not be held responsible for theft, death or injury to the horse while he is on the premises. However, if the horse should die (for any reason) while he is stabled at BBEC any unused portion of board previously paid by the owner will be refunded.

I understand the terms of this contract and agree to these terms.
